ORDER

This matter is before the court on the defendant, Spencer Allen Scott's Motion to Continue Trial [137]. Counsel needs additional time to meet with her defendant to conduct plea negotiations. For good cause shown,

IT IS ORDERED that the Motion to Continue Trial [137] is granted, as follows:

1. The jury trial, **for all defendants**, now set for December 19, 2022, is continued to **January 23, 2023**.
2. In accordance with 18 U.S.C. § 3161(h)(7)(A), the court finds that the ends of justice will be served by granting this continuance and outweigh the interests of the public and the defendants in a speedy trial. Any additional time arising as a result of the granting of this motion, that is, the time between **today's date and January 23, 2023**, shall be deemed excludable time in any computation of time under the requirement of the Speedy Trial Act. Failure to grant a continuance would deny counsel the reasonable time necessary for effective preparation, taking into account the exercise of due diligence. 18 U.S.C. § 3161(h)(6), (7)(A) & (B)(iv).
3. A party may object to this order by filing an "Objection to Magistrate Judge's Order" no later than **November 30, 2022**. The objecting party must comply with all requirements of NECrimR 59.2.

DATED: November 23, 2022.

United States Magistrate Judge
